In the event that there is more than one (1) runner on base, the leading runner will govern the placement of runners. A runner that runs through a base that they should have stopped at will be returned to that base. Time will be called at the conclusion of the play. **NOTE:** An outfielder running the ball into the infield is **not** possession.
 - b) A collision between a base runner and a fielder attempting to field the ball will result in the runner being called out. The runner must accept the tag and not attempt to avoid contact. A collision between the base runner and a fielder **NOT** attempting to field the ball will result in the runner being safe at the base they were attempting to go to. Once the runner reaches the base they are running at their own risk and may be put out.
 - c) No courtesy step. One foot must remain on the base at all times. If a player steps off the base and the ball is not hit, the runner will be called out.
 - d) Runners can advance only one base on any hit ball that does not leave the infield. A player may attempt to make it to the next base on an overthrow from the infield. The ball is then dead and the runner receives only the next base at the time of the overthrow. A player hitting a ball into the outfield can continue to run until the ball is brought into the infield and under control by an infielder.
- 14) Each manager will be responsible for the actions of their coaches, fans and players. Should a situation arise for which a manager cannot or will not control, he/she will place the team in jeopardy of a forfeit.

JUNIOR LEAGUE 2009**

JUNIOR DIVISION END OF SEASON COMPETITION RULES

All rules are the same with the following exceptions:

1. EQUIPMENT - *Pitcher (player) may wear a helmet while in the field (not required).
2. Pitching: player pitches 4 and then team coach comes in to pitch last 3 (if necessary). There is an arc requirement: the ball must arc at a height above the height of the batter's head, or 5 foot minimum to 12 feet maximum. Penalty for flat pitches shall be counted as a pitch, but not hittable. If the ball is hit, it will be called dead and batter will return to hit again.
3. Team pitcher (coach) is part of the field, and may not direct players in any way once the ball is hit. Verbal or motion is not permitted, only base coaches, from designated area, or manager from dugout.
4. There will be 3 swinging strikes. A maximum of 7 pitches. If the ball has not been hit in fair territory in seven (7) pitches, the batter is out.
5. Games will be 6 innings. There will be a maximum of 5 runs per inning unless the 3rd out is made prior to the 5th run. When the 5th run scores, the inning is over, no other runs count. A 10 run rule applies (if a team is up by 10 runs) at the bottom of the 5th inning. 6th inning is unlimited runs. All ties will be played out. If still tied at bottom of the 6th then the 7th inning International Tie-breaker rules apply.
6. Runners can advance only one base on any hit ball that does not leave the infield. A player may attempt to make it to the next base on an overthrow from the infield, however, the ball is then dead and the runner receives only the next base at the time of the overthrow. A player hitting a ball into the outfield can continue to run until the ball is brought into the infield and under control by an infielder.
7. The pitcher cannot cover Home Plate (unless the catcher is out of position due to the play of the ball).

If the pitcher does cover home, rather than letting the catcher make the play, the runner is automatically safe. THIS IS A JUDGEMENT CALL OF THE UMPIRE.
